**What Do You Need? A Conversation with Kim Muench**

**January 22, 2020**

### **Quote highlights from Kim:**

“Here was an outside of the box thought ... take the idea of community and adapt it to wherever you are.”

“Hospitality is simple, but it’s not always easy.”

“Holding space for that person and witnessing to them in that moment is huge in the hospital setting.”

### **Journal Prompts:**

Take some time and answer the question “what do you need?” Be honest and also gentle with yourself.

### **Discussion**

What is one way you can be intentional to listen to the people around you?

Is there a need in your neighborhood or workplace where you could meet a need in a simple but meaningful way?
