November 8, 2019

Quote highlights from Bailey:

“If you followed the Lord for one thousand years you would still need the ministry of the body of Christ as much as you did the day you first believed.” Paul David Tripp

“The best remedy for feeling left out is to just go and invite someone in.”

“We are in the role of being life-long friendship makers.”

Journal Prompts:

Who are the people in your life you lean on in good times and in hard?

Do you feel the need to go deeper in one or more of your relationships?

Discussion

What do you think about hosting a Pizza & Podcast Party? Are there neighbors or friends you could invite to the table?

What feelings did you notice as Kristin and Bailey were discussing small groups? If you are already in a group is it consistent? If you aren't in one, do you feel a nudge to start a group?
